

BIG LOTTERY FUND

ONE TO ONE SESSIONS

Do you have a project idea in mind and would like to come along to a Big Lottery Fund one to one appointment to see if they can help you?

At the one to one session Big Lottery Fund will:

Talk to groups who are aware of Big Lottery Fund and the work they do.

Discuss specific project ideas that your group has.

Provide advice on the best Big Lottery Fund programme to apply for in relation to your project idea.

If you are interested in coming to a session then you should think about:

What is the project idea you have in mind?

Does the project fit with a particular Big Lottery Fund funding programme? 'Awards For All', 'Empowering Young People' and 'People and Communities'?

For further information please see
