WellRead Digital Reading Rooms

During COVID-19 lockdown your child may feel isolated from friends. We are inviting children aged 8-12 to join a digital Reading Room.

Up to 8 children can take part in an online conversation based on stories in the WellRead app.

WellRead uses storytelling and psychology to help children express their own feelings and learn more about the feelings of the people around them.

Children can link to video groups through Zoom or join by phone using a freephone number.

Sessions will last for approximately 45 minutes.

Digital Reading Rooms are guided by a trained WellRead volunteer who will read the stories and start the conversations.

All volunteers have safeguarding training and Access NI certification.
