

Easter Trail Clues

The cheeky Easter bunny has hidden all the goose's golden eggs up and down Saintfield Main Street!

Follow the clues and along the way look out for Mrs Goose and her Giant Golden egg hidden in one of the shop windows and can you spy the mini golden eggs in other shop windows?

- 1. Your starting point is where Mrs Goose loves to sell her eggs at the farm shop. Off you go from here Zoom ZoomZoom... to where people park their cars.**
- 2. The second hiding place is a very small red space, the bunny hopped up to the market to phone some of his friends here.**
- 3. Go further on, up the road and have a look where you might Borrow a book...**
- 4. You're doing so well keep hunting on down the hill. Scratch your head, give it some thought you're looking for a flower_____ (be careful crossing the road)**
- 5. Run on down towards the tall trees and if you're getting tired then have a treat and take a seat.**
- 6. Look up high can you see it the next egg is where you go to keep fit.**
- 7. If you're in a hungry mood hop on down the street and find somewhere to eat a saintly treat.**

We're nearly done I hope you've had fun. This last clue, the bunny might chew...he's stopped in here to have a nibble. This was such a pleasure enjoy your Easter treasure, call into Hazel's New agents to collect your chocolate prize.
