

## Saintfield Easter Trail Clues

Follow the clues to search for giant golden eggs and some Easter animals along the way.

Start at Hazel's Newsagents where you will collect your chocolate prize at the end of the trail.

Count how many eggs you find and write down the animals.

1. Head on down to the Florist Store, search around for a big red door.
2. Go on past the Garage to No.17 to spy who has beady eyes on an egg.
3. Now if you're in a hungry mood and fancy some Saintly food. Hop across the Village to find out who is munching all the treats?

4. Run on up to Comber St. Square. A beautiful garland of roses hangs there.
5. Off you go from here, zoom, zoom, zoom! There is a car park quite nearby.
6. Quickety quick, who's flapping their feet in new shoes at no.38?

7. If you fancy a Vanilla Ice-Cream treat, where on the Main Street do you go?
8. Can you see which cute little animals have settled into a GreenWood? \_\_\_\_\_
9. If you're getting tired, I hear the Market has nice seats.
10. Skip up to the top of the Town for more fun. Find a place where dogs get their hair done.
11. You are doing so well, keep hunting up the hill. Where do you go when feeling ill?
